# Reading Note

Original sample for PDF Markdown Kit. No real participant data.

## Weekly reading plan

Read two papers and write one summary for each topic.

- Check every reference before adding it to your notes.
- Keep the original PDF beside the converted text.

| Topic | Papers | Status |
| --- | --- | --- |
| Memory | 3 | Reviewed |
| Learning | 2 | Pending |

## Check before import

Sample count: 24. Reference code: A17.

A readable sentence is not the same as a Markdown table.
